BRIGHTEN UP YOUR HOME THIS SPRING with Whimsical Centerpieces

Need an easy way to add a touch of Spring to your home? Centerpieces are a easy and fun way to add a whimsical touch to your home for Easter, Mother's Day or any other occasion happening this sunny season!

When making homemade spring centerpieces, there's no limit to what you can do with some common household items. You can add a personal touch to your centerpiece, making it your own, by using a glass or ceramic pitcher, an old enamel coffee pot, or a tin watering can as your vase. Mason jars and antiqued painted cans are very popular right now and add to that southern/country style. If you don't have any of these items offhand, our Spring Market shows will be stocked full with spring decor that will help give you some ideas on how to put together your one-of-a-kind centerpiece. Look for these vendors at our shows to find the latest in spring decor.

Spring Market Jackson: Dixie Pottery Co., Forever Green, John Oliver Dowdle, Southern with Grace.

Spring Market Memphis: Happy Everything, Rustic Nester, Scott's Stuff, Southern Rust.

Thinking outside the box is one of the best ways to make some truly stunning pieces for your home. For example, instead of reaching for your standard vase, try using a wooden sugar mold, decorate with moss, flowers, or even colored eggs.

Remember to have fun with color too! If you wanna try something really different, try playing with some fruits and vegetables in your centerpiece. Let the bright color of carrots show through a clear vase with bright yellow roses, pink peonies, or a sunflower bouquet peeking out the top.

Here's another way to reinvent the clear vase - add candy! Jellybeans of Cadbury's chocolate eggs can bring pastel fun to your table. You can even make it a monochromatic look by adding some tulips, lilies or roses of coordinating colors.

Add some farmhouse/southern vibes to your table by channeling that rustic chic and using unique items such as chicken wire boxes, lacey table runners, and painted watering cans to bring a different personality to your centerpieces.

Make the easter bunny the star of your centerpiece by finding cute ways to incorporate the furry critters. Add it to a bouquet of flowers or create a scene using moss, or grassy table runners. Another idea is to place them in a dough bowl, along with carrots, moss, or even speckled eggs!

You can find so many handcrafted and unique spring decor pieces to bring home with you at our Spring Market shows. Items that will make brightening up your home this Easter, a breeze!

Cocktails to Cool you off...

AS IT HEATS UP!

1 CHERRY BLOSSOM COCKTAIL

- 1 3/4 oz gin
- 1/2 oz rose & vanilla-infused dry vermouth (recipe below)
- 3 1/2 tablespoons cherry jam
- 1/4 oz lemon juice
- 1 bar spoon simple syrup

Add all ingredients into a shaker with ice. Shake vigorously to break up the jam for 15 seconds. Using a strainer, double strain into glass through a tea strainer to make the cocktail more clear. Garnish with organic cherry blossoms or other edible flowers like rose petals.

2 BLACKBERRY LAVENDER CHAMPAGNE COCKTAIL

- 1 tablespoon lavender flowers dried or fresh
- 1 cup blackberries
- 1/2 cup maple syrup
- 1/4 cup vodka
- 2 750ml bottles champagne

Boil blackberries, maple syrup and vodka, until blackberries are broken down. Add lavender flowers (removing from stem if they are fresh) and boil for 1 minute. Remove from heat. To serve: Pour 1 tbsp. blackberry sauce into a champagne flute, add a stem of fresh lavender and top with chilled champagne.

3 LAVENDER LEMONADE

- 1 pear, juiced
- 2 oz vodka
- 2 oz lemon juice
- 2 oz water
- 0.75 oz lavender simple syrup
- 1 cup sugar
- 1 cup water
- 10-12 stalks fresh lavender or about 1/4 cup dried

Boil 1 cup sugar, 1 cup water, and lavender in a pot. Turn to low and simmer for 10 mins. Let cool and strain out lavender. Juice pear and strain any pulp. Combine all remaining ingredients into a shaker and shake. Strain into a tall glass with ice.

4 PEACH BELLINI PUNCH

- 2 ripe peaches, halved, peeled and sliced
- 4 teaspoons lemon juice
- 1 bottle prosecco
- 2 tablespoons peach schnapps

In a blender, combine peaches and lemon juice. Puree until smooth. Pour into a small bowl and cover with plastic wrap, pressing against the surface of the puree to prevent browning. Refrigerate until cold. Combine puree, sparkling wine, and schnapps in pitcher and stir to combine. Pour mixture over ice.
